## Thruxton in Dawn's Advent calendar

ANDOVER racer Dawn Boyd only began motor racing after entering the Formula Woman Competition in 2006.

It offered training sessions and she raced at Pembrey twice and at Knockhill in Caterham 7s and after the televised elimination camp she gained a respectable 30th place out of more than 4,000 girls.

Since July she raced in the Does.co.uk Fiesta Championship in the S1 class at Anglesey, Oulton Park and Brands Hatch and was offered a drive with Advent Motorsport in the Mini Challenge. Dawn raced in the last three rounds at Croft, Donington Park and Spa Francorchamps in Belgium and now has a place in the Advent team for 2007, her first whole

season. The Mini Challenge is part of the Great and British schedule and one double race round will take place at Thruxton in July, and other

race venues include Oulton Park, Snetterton, Brands Hatch and Spa Francorchamps again.

Dawn has a sponsorship agreement with Rustlers and has a TV appearance on Thames Valley Tonight due out shortly. She is now looking for other sponsors for the season and can offer excellent partnership packages including PR and hospitality.
